

Ice Cream Social

On August 18 we will have an Ice Cream Social on the Johnstone Patio with Sam Sapp and Sarah Matheny and Songs and Tails from the Woods. This program is a unique experience for old and young alike. It includes original music sung by singer/songwriter Sam Sapp and interactive learning by freelance naturalist Sarah Matheny.

Join us for the fun at 6:00 p.m. after the 3rd Sunday Dinner.

Songs and “Tails” from the Woods

Sam and Sarah have worked together to bring NE Ohio residents **Songs and “Tails” From the Woods**. This is a unique experience for all ages. This "Nature Happening" is entertaining, interactive, and educational as we sing and explore animals and plants of northeast Ohio.

We have performed for over 4000 people, mostly youth since 2015. Some places we have been include: public libraries, nature centers, Cuyahoga Valley National Park, pre-schools, elementary schools, summer camps, service organizations, and senior citizen groups. Additional information is available by visiting sammytunes.com.

Sam Sapp resides with his wife Anne in Akron, Ohio. In his retirement, Sam started writing, singing, and recording songs about local animals and plants in Northeast Ohio. He also is a mountain dulcimer player. He holds a Bachelor of Science in Biology. Sam is an Ohio Certified Volunteer

Naturalist where he volunteers with both youth and adults and has over 3000 volunteer hours with Summit Metro Parks.

Sarah Matheny lives in Akron, Ohio and is an environmental chemist and freelance naturalist. Sarah is a former park naturalist, aquatic biologist, and environmental consultant. She holds a Bachelor of Science in Biology and a Master's of Science in Natural Resources and Environmental

Management. Sarah is an outdoor enthusiast, avid birder, nature photographer, native gardener, and world traveler.
