New Business

The agenda consisted of one motion from the Sound System Task Force and does not require a second. The original plan was to have Randy Reams bring a lift up to the sanctuary by means of the church elevator in order to provide service to the sound equipment in the sanctuary. Unfortunately, that is not going to be possible as the lift is heavier than the maximum weight allowed.

Eight elders initially responded, all approving the following motion. Two elders also approved shortly after the e-meeting was formally adjourned.

2020-154 MOTION prevailed to approve spending \$600 from the Rowley New Church Life Funds to cover the cost of renting a crane to get a lift into the Sanctuary. This is needed as the lift is too heavy to be brought upstairs in the elevator. This is part of the project to service the sound equipment in the sanctuary.

The e-meeting was adjourned by Pastor Hauerwas at 10:07 p.m. on July 5.
